POLL DORSET & WHITE SUFFOLK STUDS

EST. 1979

WELCOME

Grant and Bryce and their families invite all clients and friends to our 12th Annual Production Sale, to be held on Wednesday, October 5th, 2016 at 1.00 pm (Vic. time).

This year is shaping up well for all of our clients, the tough summer and autumn is behind us and the prospects for the spring are promising.

The sheep meat industry continues to be buoyant, with lamb prices strong, mutton extreme and wool at 10 year highs.

Our stud continues to look forward with confidence and this years drop of stud lambs are exceptional.

2016 Stud Ram Lambs

2016 Sucker Lambs

In 2014 we purchased Kentish Downs 291-13 for a sale top price of \$7,000. He was selected for his early maturity and muscling along with very clean points. The first group of sale rams by 291 are definitely worth inspection.

Our continued success with Kurralea and Ulandi Park genetics will also be on display with this years sale team possibly our best ever.

We will offer approximately 30 White Suffolks with Wingamin and Depta Grove genetics. Our White Suffolks this year display great growth and muscling.

QUIETLY ACHIEVING EXCELLENCE

2015 HIGHLIGHTS

The 2015 Ram Sale saw strong bidding from 36 registered buyers to record a total clearance of 170 Poll Dorset and White Suffolk Rams.

The Poll Dorsets averaged \$1,131 with Brian Kester, Appleton Park Stud purchasing the top priced ram at \$4,100.

33 White Suffolks sold, averaging \$962 with Bale Farming, Kaniva purchasing the top priced ram at \$1,800.

Daryl and Sherin Hobbs purchased a stud sire for \$4,000, a son of Newbold 65-12 used in A.I. and the McInnes family of Naracoorte selected 350-14 of their "Achnaneilan" stud.

Dennis Schneider selected 205-14, a powerful Eleven-11 son for his "Green View" stud.

Six flock ram buyers purchased 10 or more rams, and a satisfying result for us was the fact that only two registered buyers were unable to secure rams.

The McGinty family, Apsley, purchased 15 top end Poll Dorsets. Long term clients, the West family secured 8 Poll Dorsets and 4 White Suffolks and another valuable long term client, the Donaldson family purchased 13 quality Poll Dorsets.

Professional lamb producers, the Merrett family, Glendonald, Apsley took 10 Poll Dorsets and regular buyers, Paul, Linda and Daniel Skinner also picked up 10 even, quality sheep.

Other buyers to operate strongly included long term clients, the Rich family, Brookside, John and Tracy Adams, the Walter and Lowe families.

Thank you to all of our buyers and under bidders. To those who purchased for the first time, we look forward to hearing of your results and to our regular clients, we hope our stock continue to perform for you. Our greatest strength is our repeat clients and we appreciate your continued support.
