COMMUNITY COMPLEX**

JANMAC FARM FORUM

All most welcome. A fantastic line-up of speakers sharing insights & stories. Please join us for a social, informative & entertaining event.

- > **WARREN DAVIES**, The Unbreakable Farmer Resilience, Persistence & Determination
- > **GORDON WOOD**, Nutrien – Mecardo Latest Red Meat Market Research & Analysis
- > **JAMIE TIDY**, Naracoorte Seeds Business Growth & Planning
- > **DAVID HOMER**, Veterinarian Latest Tips for Worm & Parasite Control

SPEAKER LINE-UP

WARREN DAVIES **'The Unbreakable Farmer'**

Known as "The Unbreakable Farmer", Warren is one of Australia's leading mental health speakers and advocate. His inspiring presentations are focused on communication, community connection and seeking help. Warren will share his story of resilience, persistence, and determination.

GORDON WOOD **Nutrien Stud Stock** **- Mecardo**

Mecardo is a leading provider of market analysis for the livestock, fibre & grain markets. We look forward hearing the specialists view on the current and future opportunities for global red meat markets.

JAMIE TIDY **Managing Director,** **- Naracoorte Seeds**

Naracoorte Seeds is a successful business based around quality seed sales, service & advice. Jamie will share the business story, growth, and touch on the importance of succession planning in business.

DAVID HOMER **- Veterinarian**

David is a highly regarded veterinarian with expertise in worm and parasite control. He will speak on the topic of Barbers Pole Worm in the 21st century. We look forward to hearing his presentation and gaining tips to manage this relevant issue.

A light lunch is provided. The event will close at approx. 3pm. Please join us for refreshments after the Farm Forum Event at the Goroce Community Complex.

Please RSVP for catering purposes to Grant Hausler on 0427 861 013 or Bryce Hausler 0427 861 031 by Monday 7th August. Email – grant.hausler@bigpond.com
